

Sefton's Barn

Sefton's Barn is a stunning Grade II listed timber barn that has been lovingly restored, retaining original features, whilst providing modern function facilities for training groups, conferences, seminars, meetings, award ceremonies, exhibitions, wakes, celebrations and events.

Sefton's Barn is located at The Horse Trust's Home of Rest for Horses between Princes Risborough and High Wycombe. Set on a 200 acre farm within the Chilterns Area of Outstanding Natural Beauty, Sefton's Barn provides a unique setting for any event.

The Horse Trust is the oldest horse charity in the world specialising in retirement and respite for working horses and care for horses, ponies and donkeys that have suffered from cruelty or neglect. The barn is named after famous Army horse Sefton, who was critically injured in the IRA bombing in Hyde Park in 1982. He recovered to return to active service and became a national hero. In 1984, Sefton retired from the Household Cavalry and moved to our Home of Rest for Horses where he was a popular resident for his remaining years.

By hiring Sefton's Barn you will have access to one of Buckinghamshire's most beautiful and exclusive venues and will also be helping horses by supporting The Horse Trust's work.
